

# Final Guidance for Voluntary Qualified Importer Program (VQIP) Webinar

The U.S. Food & Drug Administration (FDA) hosted a webinar on **November 30, 2016 at 1pm(ET)** about the [Final Guidance for Industry on the Voluntary Qualified Importer Program \(VQIP\) \(/food/guidance-documents-regulatory-information-topic/guidance-industry-fdas-voluntary-qualified-importer-program\)](#). This final guidance is for a voluntary, fee-based program to allow the expedited review and importation of foods into the United States from importers with a proven track record of food safety and security. The final guidance is in question-and-answer format to explain how this program will work.
