Accredited Third-Party Certification Program

About the Program

The Accredited Third-Party Certification Program is a voluntary program in which FDA recognizes “accreditation bodies” that will have the responsibility of accrediting “third-party certification bodies”. The certification bodies will conduct food safety audits and issue certifications of foreign food facilities. For additional information and guidance, see Accredited Third-Party Certification Program (TPP)

(<https://www.fda.gov/food/importing-food-products-united-states/accredited-third-party-certification-program>).

Tables below identify accreditation bodies that have been recognized and third-party certification bodies that have been accredited under the program.
